On Thursday, December 13, LIVCTA will hold our annual Toys For Tots Drive. We have been participating in this worthy cause since 2012, with collection from our membership totaling **over 6,000 toys**. Let's keep that momentum going and set a record this year. All Association members are asked to donate toys to our drive.

Please visit the "TFT" website at www.toysfortots.org. You can register your village or company at the "become a drop site" link. Be sure to indicate if you are in Nassau or Suffolk County. If you have any questions, please email Patti Seal at pseal@patchoguevillage.org or call (631) 475-4300, ext.112.

We look forward to seeing everyone on December 13 with lots of toys.
