

March 13, 2020

We gathered 1,246 pounds of food today, missing our goal of 1,500 pounds by a mere 54 pounds. Pretty impressive with the smaller turnout. The total money collected both on-line and in cash and checks today is \$3,249.00 crushing our goal of \$2,000.00 and slightly under last year's high.

We want to offer anyone who missed today's meeting and would still like to make a donation to go to;

<https://www.fooddriveonline.org/islandharvest/marchonhunger>

One \$40 donation would send us over our previous all-time high of 11,362 meals supported (2019) who will be the one who puts us over the top?
