

# Learn & grow with us...

visit [www.nemci&a.org](http://www.nemci&a.org) for more information,  
including registration, classes and scholarship information

The Institute is open to all City & Town Clerks, Deputy or Assistant Clerks, as well as their staff in the United States and Canada. Clerks, Deputies, Assistants and Clerks' staff are given first preference for attendance. Other municipal employees may attend subject to space availability. To be eligible for certification, participants must attend all classes.

## Are you planning your Department's Budget?

Make it part of your plan to join us on the campus of Plymouth State University in New Hampshire for the 2019 New England Municipal Clerks' Institute & Academy. It will be the best decision you have ever made to further your professional and personal growth. If you have not had the chance, now is the time to experience NEMCI&A!

### What is Certification?

Certified Municipal Clerk (CMC) is a distinction granted by the International Institute of Municipal Clerks to Clerks who have completed three years of full attendance at a recognized institute such as NEMCI and have fulfilled other educational and non-educational requirements. You must also have been an IIMC member for a minimum of two years to qualify for CMC designation.

Master Municipal Clerk (MMC) certification recognizes high level achievements beyond the attainment of CMC. This is the highest designation issued by IIMC and is granted to Clerks who have completed all IIMC requirements. MMC is an extensive program which has rigorous educational components, a professional and social contribution component, and a commitment to lifelong learning. The Academy offers an opportunity to pursue MMC designation through professional development and personal growth.
