

2020 LIVCTA EDUCATIONAL FUNDRAISER GOLF OUTING – THANK YOU !

Dear Association:

A big thank you to everyone who came out and played Wednesday in the LIVCTA Educational Fundraiser Golf Outing! It was a beautiful afternoon. We had a record number of golfers, 70 players! I do not know if the turnout was due to the pandemic freeing up everyone's social calendars, the allure of the Village Club of Sands Point, or my bubbly personality as the Chairwoman, but I'm going to tell myself it was the latter!!!

Our Golf Committee worked very hard to make sure all the details were worked out so a special thank you to Liz Gaynor and Joanna Palumbo from the Village of Sands Point, Phil Westerman (Associate Member, Arthur J. Gallagher), Lisa Guerin (Associate Member, Total Technology Solutions) and Shawn Cullinane (Associate Member, NYCLASS). Also, a very special thank you to Joe Scalero for chairing the outing for so many years and keeping it going. We were happy to have Joe kick-off the outing with the shotgun start.

Thank you to the staff at the Village Club of Sands Point for making the outing work despite a record amount of member reservations on the course yesterday. We know that it might have made for a slower round for our players, but please know I am personally grateful to everyone for your patience and hope you enjoyed your round of golf nonetheless!

We also recognize Peter Baynes and Barbara Van Epps from the New York Conference of Mayors for coming down from Albany and joining us for the day and to our Association President Dave Fraser who drove across Nassau County at rush hour from the City of Long Beach to join us for our Cocktail Reception.

This event would not be possible without our generous sponsors: Corporate Synergies {Bryan McManaway}, NYCLASS {Shawn Cullinane}, Munistat {Michael Loguercio and Tom Cartwright}, Metropolitan Commercial Bank {Ralph Ventura and Denney Teets}, Salerno Brokerage Corp. {Nicole Morton and Nicholas J.
