

Dear LIVCTA:

Yesterday was our Long Island Village Clerks & Treasurer Association 2021 June Installation of Officers & General Meeting! A big thank you to the Village of Sands Point staff, Sands Point Police Chief Tom Ruehle for leading us in the Pledge of Allegiance, Sands Point Mayor Ed Adler for swearing in the 2021-2022 Executive Board, and to the Village Club for hosting us!

The Village Club did not disappoint. Our delicious and beautiful luncheon was held in The Guggenheim Mansion and it was our first in-person meeting since March 2020. It was wonderful to see so many Members and Associate Members again and welcome new members to the Association.

We thanked your outgoing President Dave Fraser and welcomed in our new President Liz Gaynor. We acknowledged our retirees Kathy Notaro, Village of Sands Point; Shawn Cullinane, NYCLASS; and John Mirando, City of Long Beach. Barbara Kelly, Village of Farmingdale, was also recognized for her years of service on the Executive Board.

With that, on behalf of the Association, we encourage you to renew your membership for 2021-2022. Minutes from the meeting attached for anyone who missed the meeting. The 2021-2022 Advertisement Application is also attached for anyone interested in an insert in our Directory. Please note that if you are sending a digital version of your ad, please email it to 1st VP Linda Tuminello villadmin@masspk.com (this information is on the attached PDF).

Have a great weekend EVERYONE!!
