

Good Afternoon:

On Thursday, December 9th the LIVCTA will hold their 10th annual Toys for Tots Drive. Our last 9 years were very successful, with collection from our membership totaling over 6,000 toys. (The Marines informed us that we are one of the largest single events for toy collection on Long Island). Let's keep that momentum going and set a new record this year!

Please visit the "TFT" website at www.toysfortots.org. You can register your village/company at the "become a drop site link". Be sure to indicate if you are in Nassau or Suffolk County.

As always, if you have any questions, please feel free to email us at dmordente@portjeff.com **or** lguerin@total.us.com.

We look forward to seeing everyone on December 9th with lots of toys!

Warm Regards,

*Denise Mordente
Village of Port Jefferson*

*Lisa Guerin
Total Technology Solutions*

****Anyone in need of collection boxes, please let us know****
