
LIVCTA:

A big thank you to **March On Hunger Chairperson Phil Westerman** together with our Member Villages & Cities and Associate Members who participated in the Annual LIVCTA Food Collection Drive on March 9th to benefit Island Harvest Food Bank.

Together we collected 1,360 lbs of food and collected \$3,675 in donations. That is 8,475 meals supported!

Way to go LIVCTA!

Since 2017, The Long Island Village Clerks & Treasurers Association has assisted Island Harvest to provide over 75,000 meals for our neighbors. Your support is more vital than ever as Island Harvest continues to provide support to hundreds of thousands of Long Islanders in need. Thank you for your generosity!
