

We have quite a bit going on in IIMC and Region 1. Here are some upcoming dates and deadlines to try to keep everyone on track:

**Tomorrow/Jan 29, 2pm** – The IIMC Education Dept is hosting the **CMC Step by Step zoom session** for us. It should be about one hour and will be recorded if you cannot make the live presentation. If you want to learn the process of applying for your national certification, please join us. The attached CMC info sheets will be useful to refer to during the session. There are 50 people signed up for this free session already. It's not too late to sign up, please register at this link: <https://bit.ly/RegionOneCMCSession2025>

**Friday, January 31** – Deadline to apply to serve on an **IIMC committee**. Serving on a committee is a great way to learn the policies of IIMC, have an impact on decisions affecting members, meet municipal clerks from around the country and globe, expand your resume and professional network. Attached is the list of committees and committee info guide. Committees meet via zoom and do work via email, no in person requirements. Most committees meet quarterly on average and the work is not a big time commitment. Link to application form: [committee application 2015](#) [committee application 2005](#)

**Wednesday, February 12** – Deadline to apply for **IIMC Scholarship** to attend the IIMC Conference in St. Louis. The IIMC Foundation provides 2 scholarships per region and these will cover the cost of registration. And a Region 1 vendor is donating a third scholarship to cover a registration fee for St. Louis.
