

New York State Association of City and Village Clerks

Founded in 1908, NYSACVC enhances professionalism, facilitates collaboration, and offers educational resources to effectively support elected officials and the community.

I hope this message finds you well as we're transitioning to those cold nights and cooler days. It was amazing to see so many of you at NYCOM Fall Training School in Lake Placid a few weeks ago. The scenery was beautiful! If you were able to attend, I hope you found the conference to be extremely informative and beneficial to connect with fellow Clerks. If you couldn't attend this year or have never attended, I urge you to budget for it next year. It's truly a stellar conference that has a huge education component, as well as giving you opportunities to connect, learn and grow from your colleagues.

The NYSACVC Annual Meeting was held September 18, 2025, during the lunch hour of the Fall Training School conference. I'm pleased to announce that I am continuing as President for a second term, as well as the remainder of the Executive Committee. I consider this an extreme honor to serve as the President of NYSACVC. I value our membership and look forward to hearing from you throughout the year. If you have feedback from FTS or have a situation, problem or need to vent don't hesitate to reach out. I may not have all the answers, but I'm sure we can point you in the right direction to find a solution.

I also want to announce that the IIMC Clerks Education Program will be returning in 2026. The dates are Sunday, July 12-Thursday, July 16, 2026, at the Holiday Inn, Latham, NY. Registration information

and training details are forthcoming. If you haven't attended an IIMC education program, please consider attending, it's a four day in-person program filled with intense educational classes that facilitate our jobs as Clerks.

NYSACVC has budget for 5 full tuition scholarships for first time attendees and 5 partial tuition scholarships for returning attendees. Scholarship applications may be submitted between January 1 through June 1st. Visit the Education tab on the NYSACVC website (www.nysacvc.org) for up-to-date information!
